

Westfield FFA CUP

ROUND OF 16
LEICHHARDT OVAL

V

7.30PM • TUESDAY
29TH AUGUST 2017

CHAIRMAN AND PRESIDENT'S NOTE

Dear Hakoah FC players, sponsors and fans,

First of all welcome to Melbourne City to Leichhardt Oval. It is an honour to host the reigning FFA Cup Champions, but we certainly don't expect our players to be in awe of the situation and look forward to a wonderful match for both teams.

For Hakoah FC, facing an A-League team in the FFA Cup Round of 16 is the final piece of the puzzle in our return to the elite level. The last time Hakoah FC won such a prestigious competition was the 1986 NSL Cup when the club was led by football and community icon Sir Frank Lowy AC, with current assistant coach Alex Robertson a stalwart in defence.

Since these halcyon days of the 80s we spent many years in the wilderness, before starting the meteoric climb from the fourth tier of the state to NPL1 in 2012, reflecting a huge amount of work from many people on and off the field including the previous Board led by Jon Marcuson. The NSW Waratah Cup triumph, and now facing Melbourne City, shows we now are truly back to the top level.

Despite our return to an elite level, we have also maintained our strong connection to the local community, and believe we truly represent the best of the eastern suburbs. Nothing shows this better than the atmosphere in the changeroom after a win, with the fans and junior players of all ages joining in the famous and historic team song, as show in the picture below.

Our boys have won seven games in the Cup this year,

and scored an incredible 25 goals in the process, as well as showing grit to win twice on penalties. We've also beaten plenty of fancied opponents in our cup run so far, so while Melbourne City is another level up from NPL1, with a very motivated group of players, a great coaching staff and a vocal home crowd we are looking to produce an upset and continue the fairy tale tonight!

On a personal note, after five years as President and Vice-President of Hakoah FC, Michael Katz and Rani Rimmer will be stepping down. It's been an unbelievable journey to which we're both very proud and honoured to have been able to contribute. Looking ahead, our Chairman Jon Pillemer will remain in place leading an expanded and exciting Board into 2018 including Michael Ephraim and Geoff Ziman as Senior and Junior Presidents. The FFA Cup run is an incredible way to finish, so let's keep it going!!

Best regards,
Jon Pillemer and Michael Katz

A NOTE FROM THE COACH

It is amazing to still be involved in the FFA cup round of last 16 and the match itself will be a huge occasion for the club. When you can watch the draw live – waiting to see who you will play, it is an exciting time.

After being drawn to play reigning FFA cup holders Melbourne City at home – we are in for a special match. With a team boasting the likes of Tim Cahill, I am sure there will be lots of interest for the fans. Not to mention the Bouzanis connection, with our No.1 Anthony pitted against his brother Dean.

It will be a great spectacle and the FFA cup has been a brilliant competition since being introduced here in Oz. Cup runs are always fun and there are upsets along the way also, so for us to be in the last 16 is a huge achievement.

For the game, I as coach have to decide on who plays/formation/preparation etc – but these are all enjoyable things to look forward to. I will certainly be doing my homework on the best way to approach the match and make it a competitive game.

All in all, I think it is a great draw for the club and as a whole, from the players to the board and backroom staff, the sponsors and last but not least the fans and community will all be looking forward to a great tie and night.

BROTHER V BROTHER

Hakoah FC holds the NSW Waratah Cup and Melbourne City the 2016 FFA Cup, which is more prestigious?

Anthony: The Waratah Cup is a very historic cup that many great teams have won. However, with the way football has evolved today, I think to win the FFA cup would be more prestigious.

Dean: They are both big competitions in their respective competitions. I believe the FFA Cup is slightly bigger as it brings the whole nation together and it's fantastic to be the current champions defending our title.

Have you ever played against one another before?

Anthony: It's funny how you say that because as kids we always used to say "imagine if we were to ever play against one another and what it would be like." But to answer your question, no... Only on FIFA. (I'm better).

Dean: This will be the first professional game we will be facing each other. It is a massive

moment for myself and our family something I'm very proud to be apart of.

Who will mum and dad go for?

Anthony: I don't think they'll be choosing a side, but myself being the golden child, I do think deep down they'll be going for me.

Dean: I'd like to say mum and dad would go for city but I'm not sure it will go that way. I think their hearts are torn and just hope we both perform as best as we can.

Who is going to win and why?

Anthony: It's going to be a very tough game for us. They are a great team with great players and anything can happen in a match like we have seen already with the FFA cup.

Dean: I believe we have the upper hand, coming from a fantastic environment at city with top quality players who have played at the highest level around the world.

WITH JABA, BRAD AND GIDI

Tell us about the season, you've won the NSW Cup and now facing Melbourne City in the FFA Cup Round of 16.

What is the highlight?

Jaba: The highlight for me was winning the Waratah cup. It's great progressing in the FFA cup but we haven't won it and winning trophies is the most important thing.

It's easy to get caught up in all the publicity and seeing ourselves on tv but winning trophies is what I want to do.

Gidi: Highlight would have been playing against Hills Brumbies in the round of 32 and coming from behind to beat them in extra time. I'm sure it was a very entertaining game for the crowd with the final score being 6-3.

Brad: I think it has been a great season, little disappointed in the league finish, but winning the Waratah Cup and run in FFA Cup is amazing. We have also finished with more points than last year, so we are improving every year. Highlight would be winning the Waratah Cup and winning our first piece of silverware at this level. Amazing achievement!

So who is going to step up on the day and perform against the reigning FFA Cup holders?

Jaba: I'd love to see Bouza outperform his brother and have a great game. I think we will need a big performance from him and the back 4. Then we need to find a goal or two. There are a lot of players who should be desperate to be the hero in that respect.

Gidi: The whole team needs to, we are under no illusion that it will be a tough game, but hard work and grit will hopefully get us a result. It's a game of two halves and anything is possible when you cross the white line.

Brad: We are going to need everyone to step up against City. They have some real quality in their squad which will be a great chance for everyone to test themselves against A-League opposition.

Who is the biggest larrikin in the team? And who would you not want to room with if you win and then play away in the FFA Cup Quarter Finals?

Jaba: Not sure about larrikin but I definitely wouldn't want to room with Frangie. Some of the rubbish he comes out with is remarkable. He brings the IQ of the changing room down to primary school level. But you've got to love him.

Gidi: Couldn't handle rooming with deano or Frangie, what's left of my IQ from all of the headers this year would be drained.

Brad: Giddy would be up there, but only due to his terrible ability for telling jokes.

What's the ambition and expectations for the match vs Melbourne City?

Jaba: The ambition is to win. It's definitely possible. We shouldn't fear them. If Leicester can win the EPL then...

Gidi: You'd be lying if you walked onto the field and said you didn't want to win. Come game day we will all be up for it and go for the win.

Brad: The ambition is to win. A-League teams been beaten already in the competition so why can't we do the same and keep the fairy tale alive.

THE BOYS FROM MELBOURNE, BUT NOT WHAT YOU'D EXPECT!

We talk to Daniel Shandler, a player from Melbourne who has come up to Sydney to support our boys rather than his home town!

I understand there are a lot of Melbourne people coming to watch the game, but surprisingly to support Hakoah FC not Melbourne City! Talk us through that.

Daniel: Although we live and breathe football in Melbourne and love getting one up on Sydney, the sense of community is too strong to not support our brothers in arms. It's not often you'll get a Jewish club in the final 16 of a national competition, so we're here to make sure our voices are heard and the Hakoah name is remembered.

So Gidi Sweet is flying the flag for Melbourne down in Sydney, tell us about Gidi's secret life in Melbourne!

Daniel: Gidi is a character like nobody you've ever met. For the safety of the reader, it's probably best his secret life remains a secret.

Following Gidi's success in making the trip north of the border, is anyone else thinking of following in his footsteps?

Daniel: Gidi raves about the club and the reception he's received from both the club and community.

After Maccabiah, all the Melbourne boys could see why having made such strong connections with the Sydney boys. As soon as the contracts are printed, we'll be signing on the dotted line.

What's your prediction for the game?

Daniel: The fairytale continues and Hakoah march into the final 8 on penalties. Pandemonium ensues.

Anything else?

Daniel: Hakoah used to be a mainstay of the old National Soccer League, so it's nothing short of brilliant for the club and wider community to see it back in the national spotlight. It's a credit to everyone behind the scenes for all the hard work it takes to get the club back to where it is today.

But this is only the beginning. It's time to make Hakoah the powerhouse it once was. A big thanks to president Michael Katz for the warm welcome he's given to us.

ROAD TO THE ROUND OF 16

It's been a pretty wild ride to this point, with seven wins and 25 goals in our 2017 cup ties!

It all started versus NPL3 side Inter Lions, where we relied on a late equaliser to send the game into extra-time, before running away with it 6-1. The heroes that night were Anthony Bouzanis who saved a penalty at 1-0 down, and Anthony Frangie who scored a whopping five goals!

Next up we took on NPL1 powerhouses Manly United on ANZAC Day and thought we'd sealed it with a late goal in extra-time, only for Manly to equalise with the last kick of the game, sending it to penalties. From that point it was never in doubt as Bouzanis was again the man with key saves to send us out winners.

Our next opponent was Illawarra Premier League club Albion Park White Eagles, where

only a late goal allowed us to draw 3-3 and back into penalties again, where Bouzanis managed to repeat his heroics to again see us progress.

We then travelled to face Rockdale in cold and difficult conditions and put in a tremendous effort to win 3-1, with some fantastic goals scored and with 10 men for over half the game.

This was a proud night for the club, as it sent us into the FFA Cup Round of 32 and the semi-finals of the NSW Waratah Cup. The team song that night could be heard in the surrounding suburbs I'm sure!!

We then went on to win the semi-final away to Sydney United 3-2, scoring two wonderful goals early before being clawed back to 2-2 and then showing real courage to regroup and score the winner.

The final versus APIA was the biggest win in the recent history of the club, as we beat the league leaders at their own ground with a committed performance and a resounding 3-1 score line, as club Captain Jaba led from the front.

Our most recent match, the FFA Cup Round of 32 win over NPL2 side Hills Brumbies was not one for the purists, but it was definitely one for the fans! Three times we came from behind to draw 3-3 at the end of regulation time, with Gidi Sweet then scoring one and setting one up as we pulled away 6-3 winners.

May the goals and wins continue to flow for Hakoah FC tonight!!
